Heads Up! Mark your calendar

April 25: Welcome back!

April 29: Spirit day; Taco day

May 7: Confirmation service

May 8: Mother's Day

May 11: NJHS meeting; Athletic banquet

May 13: Middle School social

May 16: Fine Arts Night, 6 p.m.

Religion/Memory: Memory **Tuesday quiz:** Philippians 2:3-5; **Thursday quiz:** John 13: 12-14; Test Friday 4/29 over both verses.

Literature: We will continue with *NIGHT* when we return. Students will collaborate in teams to analyze the section we recently read. We will also reflect on the United States Holocaust Memorial Museum and the connection Elie Wiesel has to the museum.

English: We had an informal assessment yesterday to see where students are with complex sentences/subordinate clauses. Instead of counting this as an assessment grade, it is in RenWeb as two daily grades. I wanted to avoid a huge negative impact on test/quiz average for students who are still developing with this concept, yet still use student performance in a meaningful way.

History: Students have been watching the Ken Burns Civil War documentary, and will have a quiz on 4/26 over the related material.

Science: TBA

Math: Mr. Koops' Algebra students can find grades, assignments and tests posted on RenWeb. Mr. Wenthe's pre-algebra students can find upcoming assignments and assessments on RenWeb.
