

Concordia 8th Grade News

God gives us gifts...to bless our world!

Week ending April 29, 2016

It's almost May! Yikes!

Please send your digital photos for the video to lindab@concordia-satx.com ASAP. So far she has received photos from only a handful of families. Please see my email of April 15 for details on type and number of photos.

I have *extended the photo board deadline to Monday, May 23* in order to give students and families one additional weekend to work on it. That is our drop-dead date, though, so all boards must be received on that day.

Heads Up!

Religion/Memory: Memory **Tuesday quiz:** Hebrews 10:23-24; **Thursday quiz:** Matthew 18:3-4; **Test Friday, May 6 over both verses.** In Religion this week we made a gift for our buddies that retells the parable of the sower. Next week we will continue with a few more lessons which demonstrate Jesus' teaching.

Literature: We finished NIGHT this week. We have begun watching an interview with the author. Students have a final reflection (this is a TEST grade!) to complete over the weekend.

English: We continued with Adjective clauses this week. Some students are still struggling to properly identify complex sentences, and also to identify subordinate clauses. We will practice more with both adjective and noun clauses in the coming weeks. **Final Mastery Vocabulary test on Friday, May 6. This covers ALL UNITS.**

History: The students have been deepening their understanding of the Civil War and its myriad causes by watching Ken Burns' documentary.

Science: Test Thursday, May 5 over Earth's Oceans and Atmosphere.

Math: Mr. Koops' Algebra students have a **test on Chapter 11 on Monday, May 2.** Mr. Wenthe's pre-algebra students have **Chapter 10 Quiz #2 on Wednesday, 5/4. Chapter 10 Test Friday, 5/6.**
